## **Directions to Lael**

From State Highway 8 between Troy and Deary, turn north onto White Pine Flats Road just east of highway mile marker 19.

Head north on White Pine Flats Road for a total of about 1.9 miles. (The pavement will change to gravel after 1.2 miles. Do not veer to the right on the pavement, but continue on straight up the hill on the gravel road for about 0.7 miles.)

The Lael property is on the left. There is a fence, a green steel post gate and a sign marking the driveway.
