

## **Let It Be With Me According To Your Word**

Written by Pastor Norman Fowler

Words. Cascading down. Bubbling up. Impressive. Unimpressive.

Listening? Me? Words? Where is the visual? Mere words? No Music?

Why listen? Competing Words. Words. So many words. Why listen?

Words. Cascading down. Bubbling up. Noise and chaos. What's the word?

The Word is coming. The angel announces to Mary. Coming to you.

How to receive The Word? Any different than all the other Words?

Words. Cascading down. Bubbling up. Controlling words? Helpful words?

Who is in charge of my life? What word do I listen to? What defines?

Not words - feeling. My feeling. My way. All the way.

Words. Cascading down. Bubbling up. An angels words? A maiden's response.

My way all the way. No way to remove darkness. Is there a Word?

An angel's word. How can this be? Another way, not my way?

Words. Cascading down. Bubbling up. Surprising words. Joy filled words?

Vision words. Promise words. Hope words. Peace Words. Coming?

How can this be? Where does it lead? Hope, Peace, Joy?

Words. Cascading down. Bubbling up. Incredible words. Real words?

Trusting words - Mary's ascent. The coming Word. The holy child.

Mary's words. Soul magnifies, Spirit rejoices, favor known, blessed.

Words. Cascading down. Bubbling up. New word. The Word.

Mary's words. Here I am. Let it be. According to your Word. Rejoice.

My word to Your Word. Here I am? Let it be? According to your Word? Rejoice?

Words. Cascading Down. Bubbling up. God's Word. Our choice.
